

Experience the Steubenville Conference 2026 right here at St. Paul the Apostle Parish!

DEFENDING THE FAITH® CONFERENCES

The Steubenville Conferences at Franciscan University are invaluable resource for Catholic Faith. Through their conferences one can experience a personal encounter with Christ.

People attend to pray, worship and gain inspiration and knowledge from some of the Church's top scholars, leaving transformed and empowered to share God's love with the world.

Mindful of the fact that not everyone can attend the conference in person and wanting everyone to have the opportunity to encounter Christ in this way, the organizers are offering a virtual experience this year.

On the evening of Saturday August 1st. **Dr. Scott Hahn's** presentation, *"Rediscovering the Joy: How the Eucharist Unveils the Gospel's Greatest Secret"*. will be streamed at our parish hall (temporary Church location during the renovations). This **free** event will also include time before the **Blessed Sacrament**, a word from Dr. Shane Owens and concluding prayer.

Fr. Francisco Sordo, who have been attending these conferences year after year, will facilitate the stream and guide the virtual experience for a powerful evening of faith. Join us in the Parish Hall

St. Paul The Apostle Hall
Saturday, August 1st.
07:45 – 09:15 PM

No registration or fee to attend.
All are welcome.
